

# e-Invoicing Updates and Compliance Readiness

Tuesday  
28 April 2026

10:00am - 12:00pm

Malaysia's e-Invoicing framework continues to evolve, with new guidelines, clarifications and compliance expectations shaping how businesses navigate ongoing implementation and compliance.

This webinar will help you gain insights into recent guidelines issued by the Inland Revenue Board of Malaysia (IRBM) and the e-Invoicing compliance framework. Importantly, participants will gain a practical perspective on e-Invoicing readiness through an e-Invoice Health Check, highlighting common issues identified across implementation phases and key risk areas businesses should address.

## Speakers:

### **Christopher Low**

Executive Director, Tax, BDO Malaysia

Christopher has over 30 years of experience in tax compliance and Tax Audits and Investigations. He has assisted and resolved numerous cases between taxpayers and the IRBM. Known for his public speaking engagements, he has spoken at Chartered Tax Institute of Malaysia (CTIM) and IRBM joint seminars, as well as in-house seminars on Tax Audits and Investigations. Chris is an associate member of the CTIM.

### **Soh Pin Tau**

Executive Director, Tax, BDO Malaysia

Soh Pin Tau has over 17 years of experience in tax practice. Before joining BDO, she worked in KPMG and Deloitte. She has managed tax compliance for clients across various sectors, including manufacturing, trading, construction, property development, investment holding, professional services, hotels, retail, information technology, logistics, and financial institutions. She is experienced in transfer pricing, income tax audits and health checks, and tax advisory, including withholding tax, real property gains tax, stamp duty, and sales and service tax (SST). Pin Tau has also contributed to GST implementations, health checks, and advisory assignments for clients in diverse industries.

### **Yong Mee Thing**

Executive Director, Tax, BDO Malaysia

Yong Mee Thing has over 10 years of experience in tax compliance and advisory. She has managed tax compliance for corporate clients, Malaysian individuals, and expatriates. Her expertise spans a wide range of industries, including property development, management and construction, manufacturing, trading, marketing, plantation, investment holding, retail, and groups of companies. Since 2009, she has been extensively involved in providing advice and representing taxpayers in tax audits and investigations, successfully assisting and resolving numerous cases with the IRBM. Mee Thing is a member of the CTIM and served on the Tax Audit and Investigation Working Group (TAIWG).

### **Yap Mei Sei**

Executive Director, Tax, BDO Malaysia

Yap Mei Sei has over 15 years of experience in tax practice, with extensive expertise in direct and indirect taxes. Her clientele includes manufacturing and trading companies, hotels, retail businesses, construction and property development firms, and investment holding entities. She is experienced in tax compliance, tax planning, tax audits, incentive applications, real property gains tax, and stamp duty matters. Mei Sei was involved in GST implementation and assignments since its introduction in Malaysia in 2014 and worked closely with the Royal Malaysian Customs Department on GST closure audit assignments. She is also involved in SST matters since their reintroduction in 2018.

### **Karthigayan Supramaniam**

Executive Director, Advisory, BDO Malaysia

Karthigayan has over 25 years of experience in internal audit and risk management across industries such as manufacturing, construction, property development, aviation, and oil & gas. He has led ESG reporting, IPO-related internal control reviews, value-added audits for PLCs and MNCs, and has extensive expertise in enterprise risk frameworks, IT General Control audits, and ERP implementation reviews. Prior to joining BDO, Karthigayan was an Audit & Risk Manager at a large, diversified listed group. He is an ACMA, CIA, and CISA, and a member of MIA and IIA, with a Bachelor of Accounting (Hons) from Universiti Kebangsaan Malaysia.

### **Mohamed Mansor Adhar Sabaruddin**

Director, Technology Advisory, BDO Malaysia

Mansor has over 25 years of experience in system development, solutioning, product and project management, stakeholder engagement, and business development. He has held IT roles in government and multinational firms across APAC, leading strategic projects in military defence and analytics. At a leading Malaysian e-payment company, he led nationwide cashless payment implementations. He previously served as a Chief Technology Officer of an automotive e-commerce platform, where he spearheaded digital transformation.
