

Foreign-Sourced Income & Capital Gains Tax: Latest Developments and Practical Considerations

Tuesday, 18 August 2026

10:00am - 12:00pm

As Malaysia's tax landscape continues to evolve, the taxation of foreign-sourced income and capital gains remains an area of significant interest and complexity for businesses and investors with cross-border activities. Join our BDO Tax experts for an in-depth update on the latest Malaysian tax developments, legislative changes and practical considerations affecting the taxation of foreign-sourced income and capital gains.

The webinar will examine key developments in the taxation of foreign-sourced income, including important considerations for income received in Malaysia, as well as the latest developments in Malaysia's capital gains tax regime. Our speakers will also discuss key interpretation issues, practical challenges and compliance considerations arising from the evolving tax framework, providing valuable insights to help businesses and taxpayers better understand and manage their tax obligations.

Register now to gain practical insights and expert guidance on navigating the evolving Malaysian tax landscape for foreign-sourced income and capital gains.

Key Areas Covered:

- ▶ Latest Developments in the Taxation of Foreign-Sourced Income
- ▶ Key Considerations for Foreign Income Received in Malaysia
- ▶ Capital Gains Tax in Malaysia: Latest Developments and Practical Implications
