Year-End Compliance Readiness: Key Considerations for Corporate Tax, Personal Tax, Payroll & Financial Reporting

Thursday, 26 November 2026 **9:30am - 11:30am**

As organisations prepare for year-end reporting and compliance obligations, staying on top of payroll, tax and regulatory requirements is essential to minimise risks and ensure smooth year-end close processes.

Join BDO Malaysia's specialists as they share practical insights on key compliance matters that businesses should consider before the end of the year. The webinar will cover payroll annual compliance requirements, individual and corporate tax considerations, financial year-end filing obligations, audit exemption matters, and other common compliance challenges facing organisations.

Whether you are a business owner, finance professional, HR practitioner or management representative, this session will provide useful guidance to help you navigate year-end compliance requirements with confidence.

Key Areas Covered:

- Payroll Annual Compliance
- Annual Individual Tax Compliance and Filing
- Financial Year-end Filing and Audit Exemptions
- Corporate Tax Developments and Compliance Considerations
- Live Q&A Session
