

Malaysian Business Reporting System 2.0

Simplify your MBRS 2.0 compliance with BDO's XBRL Conversion Services

MBRS 2.0 is a mandatory digital filing system introduced by Suruhanjaya Syarikat Malaysia (SSM), built on the eXtensible Business Reporting Language (XBRL) format.

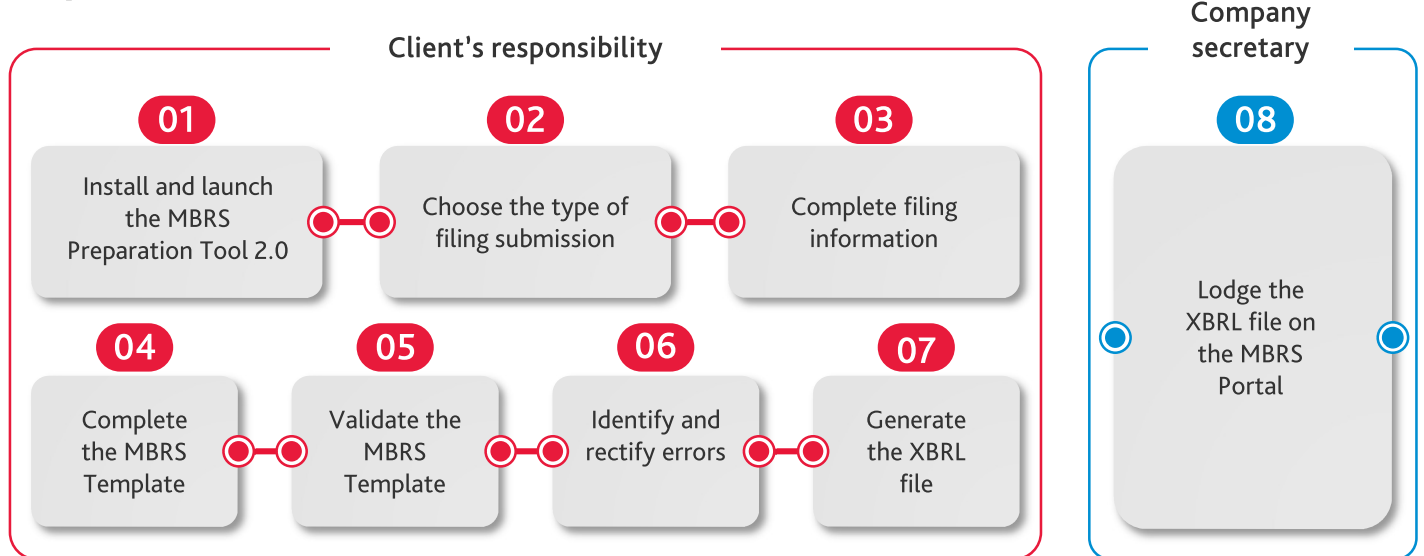

It is applicable to all companies, including previously exempted financial institutions and foreign companies registered in Malaysia, for submissions to SSM.

Navigating the technical requirements of XBRL compliance can be complex and time-consuming. BDO helps you transition seamlessly — ensuring accuracy, compliance, and efficiency at every step.

Digital filing of:

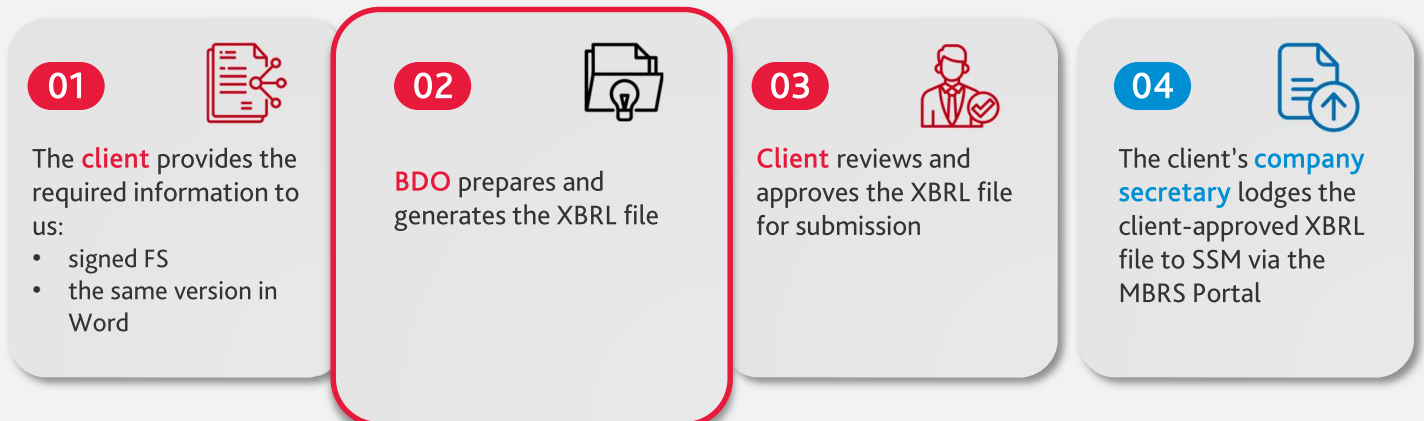

- ▶ Annual Returns (AR)
- ▶ Financial Statements (FS) & Reports
- ▶ Exemption Applications related to the FS and AR.

Preparation and Submission Process

How BDO Can Help: Making It Simple For You!

Financial reporting should not slow you down. From 8 complex steps, we can simplify the process:

What We Offer:

Expert Resources

- ▶ Our dedicated team is experienced in SSM XBRL taxonomy and its requirements and therefore has the expertise to convert your FS into the appropriate XBRL format.

High Quality and Accuracy

- ▶ Our quality assurance process ensures that your tagged accounts align with the SSM XBRL Taxonomies in force at the time of conversion
- ▶ We ensure a quick turnaround of deliverables without compromising on quality

Efficiency

- ▶ Focus on what truly matters — growing your business. Let us do the work, saving you time and reducing the burdens related with regulatory compliance

Support Beyond Delivery

- ▶ We assist with validation issues and related queries even after delivery
